Section Three PROJECT AREA(S) OF INTEREST

THE SOLARWALL FOUNDATION account at Canada Gives was established by Conserval Engineering Inc (“Conserval”) at the request of clients who wanted to help not-for-profit organizations add solar energy heating to their buildings. Kindly indicate which projects or areas of interest you wish to support with your donation. While the Board of Directors at Canada Gives maintains the fiduciary obligation of ensuring the grants from THE SOLARWALL FOUNDATION account are disbursed according to CRA policies, we will endeavour to direct your gift to the type of project that you have selected.

If you have donated to support a specific project and there are extra funds remaining on completion of such project, the remaining funds will be used for THE SOLARWALL FOUNDATION’s general objects as and/or used for another SOLARWALL FOUNDATION project.
